Event Insurance

Conway Township requires everyone who rents the hall for a party or event to provide a certificate of insurance to the township clerk.

For everyone with homeowner's insurance or renter's insurance, most insurance companies will allow you to add Conway Township as a temporary insured to your homeowner's or renter's policy for no additional cost. The personal liability coverage amount must be at least \$500,000.

If your insurance company does not provide coverage, or you do not have a homeowner's or renter's insurance policy, a separate policy can be purchased specifically for your event. Coverage should include bodily injury for your guest, most lawsuits from your guest, and property damage to the township.
